

U.S. Immigration and Customs Enforcement Enforcement and Removal Operations

287(g) JAIL ENFORCEMENT MODEL (JEM)

JEM PARTNER BENEFITS

Information Sharing
between federal, state, and
local law enforcement.

Specialized Training
provided by ICE to state
and local DIO candidates.

Enhanced Public Safety
by reducing the number of
criminal alien offenders released
back into the community.

WHAT IS THE 287(g) JEM?

The 287(g) JEM is authorized under section **287(g)** of the *Immigration and Nationality Act* (INA).

The 287(g) JEM acts as a **force multiplier** to effectively identify removable aliens with **criminal convictions or pending criminal charges** who are arrested by state and local law enforcement agencies (LEAs). Under the 287(g) JEM, U.S. Immigration and Customs Enforcement's (ICE) Enforcement Removal Operations (ERO) **trains, certifies, and authorizes state and local Designated Immigration Officers (DIOs)** to perform only those immigration functions specified in a Memorandum of Agreement (MOA) between ICE and the partner LEA.

HOW TO PARTICIPATE

Interested LEAs go through the following process to participate in the 287(g) JEM:

-  LEAs submit a letter of interest to the local ICE ERO Field Office Director.
-  ICE reviews and assesses the request.
-  ICE approves and signs an MOA with the LEA partner.
-  The LEA will nominate DIO candidates who must pass a background check.
-  DIO candidates complete an initial 4-week training and 1-week refresher training at the Federal Law Enforcement Training Center every 2 years.
-  ICE equipment is installed within partnering state and local jails.
-  The 287(g) JEM is supervised by the local ERO field office.
